

## Our Strengths

### FIRE & SAFETY

With an entrepreneurial spirit, QhooHP taps into specialized markets to offer tailor-made solutions for clients' unique needs. Our adept negotiation skills and long-term partnerships establish us as a trusted supplier. With an extensive network, we deliver exceptional service. Leveraging relationships with key logistics players, we ensure efficient parts delivery, saving time and costs. Based in Dubai, a global hub, we offer competitive pricing and swift delivery to clients in several countries. QhooHP's placement in India reflects our commitment to a wider range of industries.

### AUTOMOBILES

Rest assured, we're committed to upholding our standards and values, delivering superior solutions and services to clients in UAE, India, and beyond. Our exceptional bespoke solutions are readily available from our offices in the United Arab Emirates (with VAT registration number 104028444800003) and India (with GST registration number 32APHPA3077K1Z2).
